### DESIGN INSPIRATION

Demoiselles - Outdoor is a very versatile fabric, it has a linen look, is very heavy and is suited both for indoor and outdoor use. This fabric is made in conformity with the environmental regulations in force in the EEC and is also fire retardant. Inspired specially in the modernist painters such as Gauguin and Picasso with the use of a stylized human figure and exotic flora resorting to the use of flat colours to define shapes. The use of Polynesian tattoos elements reinforces this south pacific islands rich tradition.
