DESIGN INSPIRATION

Kailash is a 21,778 ft high peak in the Kailash Range, located within the Tibet autonomous Region of China. The mountain is located near Lake Manasarovar, close to the source of some of the longest Asian rivers: Indus, Brahmaputra and Karnali. Kailash is considered to be sacred to four religions: Hinduism, Bon, Buddhism, and Jainism. Named after this peak, Kailash is a stunning silk jacquard, striped strie´ velvet that has an ikat inspired design. This velvet is suitable for medium duty upholstery and drapery and is available in a curated assortment of colors.
