DESIGN INSPIRATION

La Vie is an exquisite embroidered fabric featuring an abstract, ethnic-inspired design brought to life through multicolored minimalist shapes and intricate stitching. Crafted on a soft linen ground, this richly textured textile draws from global travel and cultural influences. Its abstract motifsÑborn from the deconstruction of VevaÕs iconic butterfly and swanÑsymbolize transformation and grace. With its geometric patterning and layered embroidery, La Vie is a perfect choice for modern and contemporary interiors seeking artistic depth and storytelling through fabric.
