SUGGESTED USE.. MEDIUM DUTY MULTIPURPOSE

MADE IN . . . . ITALY

STOCKED IN..... SUPPLIERS WAREHOUSE GERMANY

DESIGN ...... TEXTURE

SCALE ...... PLAIN / SOLID

## **DESIGN INSPIRATION**

Made in the Piemont region of Italy, the mélange in our fabric Tramontana is consistently the same due to the weaving technique: the warp consists of a single color linen yarn, while the weft is made of a special wool yarn that was dyed in different shades and then twisted together.
