#### DESIGN INSPIRATION

The name Ninfee means water lilies. The ancient Egyptians revered the Nile water lilies, which were known to them as lotuses. The lotus motif is a frequent feature in temple column architecture. This aquatic pattern, jacquard velvet is woven on a complex, four chain looms. The relief effect is created by different methods of weaving the linen velvet, cut and uncut. The fabric is particularly suitable for heavy duty upholstery and is available in multiple colorways. Coordinates with three colorways of [Ninfee - Vinyl Wallcovering](#).
