#### DESIGN INSPIRATION

The Melograno Unito fabric is the solid ground companion of [MELOGRANO LAMPAS](#). Although is considered a plain fabric, in reality it is a woven strié jacquard damask with little horizontal strokes. This fabric is suitable for both draperies and upholstery projects and is offered in the coordinating colors of Melograno. The beautiful and coordinating grounds of [Piccolo Melograno](#) motif are also companions to [Melograno - Vinyl](#) and [Melograno Unito - Vinyl](#).
