#### DESIGN INSPIRATION

Based on an early 18th century English drawing, East India is a [linen fabric](#), [sheer](#) and [vinyl wallcovering](#) featuring an enlarged motif allowing for all to fully enjoy its richness. A lush repertoire of tropical fruits reveals how much England had established itself in the East Indies at the time. Sophisticated and ornate, this design is offered in neutral colorways that allows the detail of the design to be the main focus.
