## DESIGN INSPIRATION

Aprile means April in Italian, and as one would expect based on the name, this vinyl wallcovering features beautiful blooming florals upon vine-like branches and fluttering butterflies, based on [APRILE LAMPAS](#). A pattern that feels quintessentially spring, Aprile's multi-colored motif is rich with romance and femininity, but also has a lovely freshness to it. For added depth and detail, this vinyl wallcovering has a textured effect that emulates a slubby silk ground.
