DESIGN INSPIRATION

This mainstay motif is named after Louis XIV's preferred castle located near Paris, Château de Marly, which featured paths through the woods lined by trellises, created to contain the exuberance of the robust trees that filled the grounds. Pulling inspiration from these wonderful woods and tapestries of the time, Colony created the beloved design. [MARLY VELVET](#) has been converted to a textured vinyl wallcovering featuring a lush, all-over foliage design reminiscent of motifs represented on antique tapestries. Created to coordinate with the four colorways, [MARLY UNITO - VINYL](#) offers ten embossed textures that are sure to add a touch of luxury and refinement to any interior.
