DESIGN INSPIRATION

Maiden Floral is a fresh interpretation of a 17th century Russian document, developed as a digital print on a linen blend ground. The scrolling motifs create a graceful flow in this all-over pattern. Imbued with an earthy sensibility, this stylized, easy-to-use floral makes fabulous sitting room slipper chairs, or colorful bedroom curtains. Available in three colorways ranging from an understated, go-anywhere blue to an exuberant and bright yellow and ciel.
