DESIGN INSPIRATION

A charming English garden comes to life in Nymph Floral, a multi-color digital print on a fine, 100% cotton ground. Stylized foxgloves, wisteria, hydrangeas and more bring all the delights of a garden right to the inside of your home. Each of the three palettes offer a lush spectrum of hues, allowing for layered schemes of colors and neutrals. Nymph Floral makes memorable upholstered dining chairs, darling Roman shades, or a sprightly settee bench!
