DESIGN INSPIRATION

With a nod to mid-century modern design, Lark Stripe is comprised of quiet rows of clean white rectangular motifs on an organic, textural colored ground. The rib weave, or ottoman weave, creates a wonderful dimension and linear effect, giving graphic order to this natural-fiber fabric. In three colorways, all made from 100% cotton, Lark Stripe is an easy-to-use complement to statement prints and patterns, or the understated hero of large-frame furniture upholstery.
