DESIGN INSPIRATION

A charming English garden comes to life in Nymph Floral, a multi-color digital print wallcovering that has been slightly rescaled from its fabric counterpart. Stylized foxgloves, wisteria, hydrangeas and more bring all the delights of a garden right to your walls. Each of the two palettes offer a lush spectrum of hues, allowing for layered schemes of colors and neutrals. Nymph Floral makes for a darling children's bedroom, playroom or blossomy breakfast nook.
