## **DESIGN INSPIRATION**

Audacity and elegance in a brocatelle A large composition of philodendron and acanthus leaves, fruit and flowers, framing 2 amazing bouquets in full bloom in a large repeat of 150cm. Minute details and different weaves are used in the typical style of the end of the XIXth century. The authenticity of the design period is further reinforced by its coloring, intense ruby, blue, gold with the addition of pale blue, pearls and taupes for the more contemporary interior.
