#### DESIGN INSPIRATION

Vetiver, an essence as fine as it is complex, creating the look of vegetation... the brocatelle has a spectacular raised design. The matte, cotton-look warp contrasts against the metallic background like a bas-relief. Vetiver is as deep as the notes of masculine perfume from which it takes its inspiration... and it is expertly woven in our mill in Lyon in the time honoured style. Five colorways in vibrant shades create a strong look with character, can be used for occasional seating, curtains or wall hangings.
