DESIGN INSPIRATION

Animal skin patterns are a Scalamandré hallmark, adding a rich, decorative and exotic touch to both modern and traditional rooms. Our newest addition is a timeless leopard skin, translated into a supremely plush weave of cut-and-loop velvet. The allover design has a subtly raised look, with its pattern woven in velvet against a textured loop ground. Colors are both classic and current, ranging from a true-to-nature gold and ebony to new neutrals of smoke grey and sable.
