SCALE	MEDIUM

DESIGN INSPIRATION

This jazzy stripe is woven in a chunky basketweave, for a casual look that has the appearance of linen. Its natural look and soft hand are enhanced with high lightfastness, durability and stain repellency for use in the most active indoor and outdoor environments. Composed of the same weave and yarns, Nautical Stripe makes a perfect accent of color and pattern for Hopsack, when layered as cushions, bolsters or contrasting upholstery.
