MADE IN	ITALY
STOCKED IN	SCALAMANDRE WAREHOUSE U.S.A.
DESIGN	STRIE
SCALE	SMALL

DESIGN INSPIRATION

This textured plain has an artisanal, hand-woven look, which is created by blending multi-hued space dyed yarns in both warp and weft. The casual look makes this a great choice for a wide range of upholstery frames, but its soft hand is also well suited to curtains, shades and other decorative uses.
