DESIGN INSPIRATION

This dramatic warp print, inspired by traditional Central Asian ikats, is woven in the classic way, with a printed warp that is crossed with Thai silk yarns for a textured and lustrous surface. Its luxurious mix of viscose and silk gives it an amazingly supple drape and hand, which is perfect for floor length curtains, but it also may be knit-backed for light upholstery applications. The timeless ikat patterning blends perfectly with traditional and modern schemes alike, adding an exotic note into any setting.
