DESIGN INSPIRATION

This simple and classic upholstery weight plain owes its natural look and hand to a blend of thick cotton, lustrous rayon and natural flax yarns. Not only soft but durable and backed for upholstery, it is a great choice for large casual furnishings where a linen look is desirable and performance is a necessity. The palette is softened through its mix of clear color with neutral, giving it a heathered look that is easy to blend with other textures and patterns in an interior scheme.
