DESIGN INSPIRATION

Designed with our Scalamandré style mavens in mind, we've launched a men's and women's capsule collection of socks, each pair a celebration of our most iconic motifs. Offered in [Zebras](#), [Leaping Cheetah](#), [Calabasas County Frogs](#) and [Rosette](#), these cotton-rich blend socks make a chic top-off to any ensemble. Our eye-catching socks have a reinforced toe and heel for durability, and double-welt cuff to keep them in place.
