REINE EMBROIDERED TAPE

DESIGN INSPIRATION

Our Reine Embroidered Tape is inspired by an [18th-century fauteuil](#), or armchair, originally intended for Marie-Antoinette's grand cabinet int rieur at Versailles. The armchair boasts finely brocaded and appliqu  silk with botanical motifs.

Made with viscose embroidery on a cotton-satin tape, this floral decoration can add exquisite detail to the border of an upholstered ottoman or serve as a vertical element on Roman shades.
