DESIGN INSPIRATION

Reproduced from a nineteenth Century French roller printed textile, this hand printed wallpaper is a perfect match to the fabric of the same name. The design's exotic motifs of fruit, foliage and peacocks are rendered with delicate batik-like details for a South Seas look. It is printed in the full range of matching fabric colorations, from soft lavender and vibrant mandarin orange to rich espresso. The wallpaper version of the design also includes a quietly elegant Alabaster coloration, with white printed on a rich cream ground. The medium scale and graceful allover vine pattern of Balinese Peacock makes this a versatile paper for bedrooms, powder rooms and foyers.
