DESIGN INSPIRATION

We discovered Lanai on a trip to the Scalamandré archives, unearthing the original hand-printed wallpaper document from a dusty shelf. Immediately, we saw potential in the design's exuberant tropical vibe and unique layout. A central bamboo stem anchors the pattern's flourishing array of leaves, buds and blooms, making the pattern structured, yet all-over. Feminine yet bold, Lanai is a fresh-faced floral that will enliven a powder room or uplift dining room walls.
