SCALE . . . . . PLAIN / SOLID

#### DESIGN INSPIRATION

Pyrite is a silver leaf wallcovering, hand-made in the same tradition as it has been for over one hundred and fifty years, and using only the finest quality materials. Pyrite features a cracked, cork-like motif and has a light, brushed gold tone. Color and pattern variations are desirable and normal elements. These may be variations in dye lot. Actual color is not guaranteed to match this sample. Not guaranteed against fading.
