KARANFIL BLOCK PRINT WALLPAPER

BIRCH • SC 0001 WP88560

Printed Wallcoverings from the The Metropolitan Museum Of Art Collection by Scalamandré

DESIGN INSPIRATION

The Karanfil Block Print is a tribute to a [17th-century Turkish panel](#) in the Museum's Islamic art collection. The original source is a cut velvet featuring repeating stylized carnations. The carnation motif present on both the original textile and our wallpaper is a Turkish symbol of life.

This wallpaper is handprinted with wood blocks on non-woven paper to create an eye-catching piece of art for the wall.
