#### DESIGN INSPIRATION

Pignoli, also known as pine nuts, are edible seeds harvested from the cones of the Italian Umbrella Pine. The Umbrella Pine is often associated with the Italian landscape and is a distinctive and iconic tree to Mediterranean culture as it symbolizes strength and beauty. Reflecting the beauty of this majestic tree, the pattern highlights its unique, sprawling branches and the characteristic pinecone motif. This wallcovering will undoubtedly bring your walls to life, adding an enchanting touch of nature indoors.
