ABRASION	15,000 MARTINDALE
MADE IN	FRANCE
STOCKED IN	SCALAMANDRE WAREHOUSE U.S.A.
DESIGN	ANIMAL SKIN SMALL SCALE
SCALE	SMALL

DESIGN INSPIRATION

This classic texture, derived from the dotted pattern of shark or stingray leather, is reinterpreted in a blend of raised cotton yarns against a viscose and polyester ground. The palette is soft and inspired by colors of earth, sea and sky, all beautiful options for adding a subtle note of nature to a modern setting or a traditional scheme. The tight weave is perfect for tailored upholstery or curtains and roman shades.
