DESIGN INSPIRATION

A much-loved Scalamandre classic for many years, Falk Manor House is a timeless cut velvet that features an intertwining leaf and vine design. The simplified botanical pattern is derived from a fifteenth century Italian woven textile, but has a graphic look that is at home in traditional and modern rooms alike. Our newest interpretation of this fabric streamlines the silhouetted motifs in silky viscose velvet pile against a fine cotton satin ground. The up-to-date shades range from versatile pale neutrals and soft green to dramatic lapis and carbon.
