DESIGN INSPIRATION

This design is part of the collection inspired by Carl and Karin Larsson, an iconic and beloved Swedish design family active in the 19th century. The design duo still inspires the whole world with their artistry, their home, and their way of living. Karin gave Carl the door curtain called "Kärlekens ros" (The rose of love) on his name-day. When Carl was out traveling Karin found time to, in secrecy, create this beautiful weaving that was filled with loving symbols. She made it thinly woven and double-sided to allow the sunlight to come through and eye contact between the spouses from their separate bedrooms.
