## DESIGN INSPIRATION

This flowery design is part of the collection inspired by Carl and Karin Larsson, an iconic Swedish design duo active in the early 1900's. Carl Larsson used to say about himself, as an artist, that his motherland is Japan. This beautiful wallpaper design is a great choice for a home that breathes effortless elegance to your everyday life. A delicate and airy flower pattern representing the fleur-de-lis expresses both Japanese aesthetics and the timeless Art Nouveau style. The hand-painted wallpaper pattern in watercolors creates an effortless look to a room and yet surprises you with details to discover when you get up close.
