DESIGN INSPIRATION

This design is part of the collection inspired by Carl and Karin Larsson, an iconic and beloved Swedish design family active in the 19th century. The design duo still inspires the whole world with their artistry, their home, and their way of living. This hand-painted design adds beauty to your home. Maskrosen is a natural and simple design yet a wallpaper design that communicates a cool and stylish attribute and adds beauty to your home. The stylized hand-painted dandelion wallpaper design is a symbol of the Karin & Carl Larsson family. They were the great influencers of their time. This flower is overlooked by so many but was uplifted by Carl as a symbol for the family's fighting spirit and stubbornness. If you visit their home, Lilla Hyttnäs in Dalarna, don't forget to look at the very top of the wall in Carl's studio, where you can find stylized hand-painted dandelions. Our wallpaper version of dandelions also comes in pink.
