DESIGN INSPIRATION

This design is part of the collection inspired by Carl and Karin Larsson, an iconic and beloved Swedish design family active in the 19th century. The design duo still inspires the whole world with their artistry, their home and their way of living. This wallpaper is offering a harmonious shade to a room. Another timeless wallpaper classic to enjoy for many years to come. The wallpaper is inspired by one of Carl Larsson's original oil paintings where their daughter Kersti poses in the shade under the grand chestnut tree in the garden. The light sprinkles beautifully through the leaves, and the shades of green are endless.
