DESIGN INSPIRATION

This hand-painted design adds beauty to your home. This design gives you the possibility to create both intense coziness and an airy feeling to a bedroom. This delicate and decorative wallpaper gives a sense of enlarging a space and an airy feeling of being outdoors during the lovely Swedish summer. The creative couple Karin & Carl Larsson loved to surprise and show appreciation for each other through creative expressions. The wallpaper Till Karin, is a new chapter of the original wall painting located above Karin's bedroom door in their inspiring home, Lilla Hyttnäs. This painting was a gift and a declaration of love to Karin from Carl Larsson in 1894 representing flowers from their beautiful garden. Carl and Karin Larsson often painted decorative murals directly on the walls also involving their four children in the process. The name of the wall mural is shared with their daughter Suzanne, who co-created a flowery border in her own room at their iconic home.
