DESIGN INSPIRATION

This design is part of the collection inspired by Carl and Karin Larsson, an iconic and beloved Swedish design family active in the 19th century. The design duo still inspires the whole world with their artistry, their home, and their way of living. This hand-painted design adds beauty to your home. This delicate and decorative wall mural gives a sense of enlarging a space and an airy feeling of being outdoors during the lovely Swedish summer. A delightful lingering flower bonanza, an enlarged version of its wallpaper sibling Till Karin.
