### DESIGN INSPIRATION

Experience timeless elegance with the Allover Scalamandré Zebra Slipper in Blush. Crafted from sumptuous cotton-linen fabric paired with tonal blush grosgrain, each made-to-order pair is adorned with intricate all-over zebra embroidery. Meticulously handcrafted in Spain, these slippers are lined with premium leather for exceptional support and comfort. The chic stacked wooden heel, measuring 0.75 inches, and a durable leather sole complete this refined design, which is true to American sizing.
